GAMES IN OTHER CITIES.

Detroit, Sept. 8.—Washington and Detroit played two games this afternoon and each took one. Errors by White and Brouthers gave the first game to the visitors, who were unable to gauge Conway's swift delivery. The second game resulted in an easy victory for the home players, the most of their hits, however, being made after the side should have been out. The score of the first game was as follows:

THE WHEEL CONTESTS AT BUFFALO. Buffalo, Sept. 8 (Special).—One of the races in the bicycle tournament was the 100-mile contest from Erie, Penn., which took place to-day. There were fifteen starters, among them P. M. Harris, of New-The roads were muddy and the time poor. Frank Dampman, of Chicago, won in ten hours. The final heat for the world's championship will come off Monday afternoon. Van Sicklen, the Chicago boy who took a violent header on Thursday, is recovering at the General Hospital. Ralph Temple, the Chicago wheelman, thinks there has been a discrimination against him and in favor of Rowe.

ATHLETIC SPORTS STOPPED BY THE RAIN. In spite of the threatening weather a big crowd gathered at the Manhattan Athletic Club's grounds yesterday afternoon to witness the eleventh annual fall games of the club. In the one-hundred-yards run there were forty-six entries. Two trial heats were run, A. F. Copland winning the first in 10 3-5 seconds, and J. T. Norton winning the second in the same time. The two-mile walk (handicap) was then called. There were three competitors. W. A. Berrigan had a Lange, the ameteur champion of America and Canada, started at the scratch. Berrigan dropped out in the second mile, leaving Nicoli to finish first in 15 minutes and 10 seconds, with Lange second, in 14:53. A heavy shower came up when the race was about half over and the last half was walked in a drenching rain. After waiting over an hour for the weather to clear the managers declared the games adjourned till Saturday at 3 p. m.

ENTERTAINING AND UNANSWERABLE The Mills Bill and the Tariffof 1883 Compared four pages are added, showing all the reductious pro-posed by the Mills bill, in detail, and the total amount four pages are added, showing all the of revenue reduction which it claims to effect. The cheapest and handlest form in which the Mills bill can be obtained. Ready September 8. Sixteen pages are devoted to showing exactly what articles are protected and what are not under the present tariif, the present duries on every article of imported goods, together with an exhibit of the present free list in full, the quantity of each article imported in 1883 and 1887; and the total amount of duty collected on each article. There is a brief introduction reciting all the tariff acts ever passed by Congress, the object and result of each one being eaplatned. Also, a table of the total imports, year by year, from 1791 to 1887. This little pamphlet is accurate, was prepared with great labor and expense, and will be required continually for reference during the year. It shows now America flings her millions all over the world for foreign labor and products, even under the present tariff, and how importations were increased by the reductions of 1883. Price, single copies, 12 cents; 100 copies for 887, 1,000 copies for 870. of revenue reduction which it claims to effect. The
